The on-campus courses are scheduled in such a way that the target trainee officers are free from targeted works towards the end of financial year. It is understood that a large number of Group B officers who completed online component of Integration courses in the year 2020 did not report for on-campus courses scheduled by the Institute in the past. List of such officers is enclosed in the Annexure.

It is requested to kindly nominate all Group B officers who have completed online component of Integration course on your Railway to these on-campus courses to ensure completion of the total training programme. The officers who would not report for the on-campus courses this year will have to repeat the entire course consisting of online and on-campus components in the subsequent years. The controlling officers may kindly be advised to relieve the Group B Officers for the Integration courses timely.
