The trainees may be advised to carry their UMID cards while coming to IRISSET for training. Suitable action is requested in respect of trainees nominated for Initial Course for App. JEs/SSEs (Signal/Telecom/Design) to ensure that the newly recruited supervisors are in possession of UMID cards.
12. The training calendar consists of special courses on Kavach specially designed for executives of Traffic (Sl.No.69-71) & Electrical (Sl.No.72-80) Departments. Separate letter would be addressed to respective PHODs to send their nominations for these courses. The Training Managers of the Zonal Railways may be advised to liaison with their counter parts for necessary action to ensure adequate participation in these courses.
13. Four basic courses on Kavach are also scheduled for the new entrants of PSUs and Private Sector organizations (Sl.No.145-148). Zonal Railways may advise the contract agencies working with them to nominate their representatives for these courses. It is mandatory for these agencies to make the payment of training fees before commencement of the course. These agencies may be asked to contact IRISSET for details in this regard. In case of requirement of any other customized training program for the private agencies, they may be advised to approach IRISSET with their requirement for scheduling the course.
14. General Holidays for the Institute are governed by directions of South Central Railway. There can be minor alterations in the training calendar due to holidays, which would be communicated to the Zonal Railways from time to time.
15. The trainees will be accommodated in the Hostels, where there is no facility for family accommodation. Hence, the trainees may be directed not to bring their families to IRISSET during their training program.
